

District Monthly Report

District: Vincennes

INDOT Submitter: Rusty Fowler

Last District Meeting:

Season Kick-off 5/19/22

Steering Committee 7/07/22

Steering Committee & Sub-Committees 7/15/22

Next District Meeting:

Steering Committee & Sub-Committees 8/19/22

Summary of Developments & Deliverables (3-5 bullet points):

- Sub-committee summaries are in-process for Pre-Construction, Stage 2 Process, and Best Practices for Hybrid Meetings. They will be up-loaded to the ITT page shortly.
- Discussion of new focus (Utilities) took place on 7/07/22 with the Steering Committee.
- Chris Gentry and Rusty Fowler had an introductory conversation on 7/27/22 with Don Adamson and Jim Wood - as recommended at the recent Statewide meeting. A discussion with Kenny Franklin was suggested in this conversation. We will set that up.
- Refinement of our Utility focus to begin at our next meeting.

Resources to Share with all Districts (include links or attachments):

Several resources, minutes, etc are on the ITT District Page at <https://www.indianatransportationteam.org/districts/>. We will be uploading Sub-Committee Summaries on Pre-Construction, Stage 2 Process, and Best Practices for Hybrid Meetings shortly as noted above.

“A Night with the Evansville Otters” is on tap for 8/27/22. We’d love to see you all there. Details and registration may be found here:

<https://web.indianaconstructors.org/events/Southwest-ITT-Otters-Game-471/details>

Assistance Needed from Statewide Steering Committee: N/A

Planned Deliverable for Jan. 18, 2023 Update:

The SW Team will be focusing on improvements in the utility process. Initial discussions have taken place. Specific deliverables within that umbrella yet to be defined.
