

## Southwest Indiana Collaboration

### Mark Your Calendars!

We are pleased to invite you to the 2023 Season Kick-off Collaboration! We are returning to USI. Note we will have Griffin Center to ourselves, overlooking Reflection Lake - with the lower level being used for the primary room, and the upper level being used for breakout space. Parking at Griffin Center is limited, so carpooling is recommended.

We will be focusing on our 2023 priorities of utilities, materials forecasting, and the Young Professionals' Program. As always, we will have time for networking and sharing of ideas. We look forward to continuing our collaboration, developing relationships, and building trust!

We hope to see you there!
