Breakout Discussion

What do you hope to discuss at the Fall Utility Summit?

Attendees: ITT (INDOT, Consultants, & Contractors), Utilities, & Utility Locators

Goal: Understand what Each Other are up Against

Tentative Presentation Topics:

(Circle listed topics you are interested in &/or fill in other suggestions)

- Utility Coordination
- Knowing where Facilities are Located
- Hurdles with Non-Reimbursable Utility Relos.
- Abandoned Facilities: Dead or Live?
- Utility Contact Information

Tentative Breakout Discussion Topics:

(Circle listed topics you are interested in &/or fill in other suggestions)

- Collaboration and Communication
- Challenges and Risk Management
- Understanding the Hand-off Process

Closing Topic: Highlight of Lessons Learned
